

# Bow Technique

Line-up stick of bow with top joint of middle two fingers

## 1.) Bow Hold:

Pinky curled, pointing into top

Thumb curled under between frog and winding

## 2.) Motion and Distribution:

Play each note very slowly, using the entire bow!

Maintain a correct bow hold.

Bow on strings halfway between the bridge and fingerboard.

# Left-Hand Technique

Wrist always straight and relaxed!

**Never collapse** the wrist inward.

**Never stick outward** your wrist.
